This chart provides a general overview of states that have registration and/or filing requirements for nonprofit organizations, fundraising counsel (also referred to as fundraising consultants), professional solicitors (also referred to as professional or commercial fundraisers), individual solicitors and commercial co-venturers. ***Please note that specific state statutes define these categories somewhat differently and may also have exceptions, limitations or exemptions to the registration/filing requirements that are not reflected in this chart.*** A careful analysis of each state's law is necessary to determine which requirements may be applicable to your fundraising activity.
